

Farm Service Agency, USDA

§ 707.2

costs related to reforestations, rehabilitation, and related measures undertaken because of losses in calendar year 2005 caused by a 2005 hurricane. To be eligible, a non-industrial private forest landowner must have suffered a loss of, or damage to, at least 35 percent of forest acres on commercial forest land of the forest landowner in a designated disaster county due to a 2005 hurricane or related condition. The 35 percent loss shall be determined based on the value of the land before and after the hurricane event.

(b) During the 5-year period beginning on the date of the loss, the eligible private non-industrial forest landowner must:

(1) Reforest the eligible damaged forest acres in accordance with a forest management plan approved by FSA that is appropriate for the forest type where the forest management plan is developed by a person with appropriate forestry credentials, as determined by the Deputy Administrator;

(2) Use the best management practices included in the forest management plan; and

(3) Exercise good stewardship on the forest land of the landowner while maintaining the land in a forested state.

(c) Notwithstanding § 701.26, an ECP participant shall not receive under this section more than 75 percent of the participant's actual cost or of the total allowable cost of reforestation, rehabilitation, and related measures.

(d) Payments under this section shall not exceed a maximum of \$150 per acre for any acre.

(e) Requests will be prioritized based upon planting tree species best suited to the site as stated in the forest management plan.
